Lime Trust is a growing Multi-Academy Trust of four primary and three special schools in the East of England and London. The Trust is creating sustainable hubs of high-performing schools that improve life chances, trusted and respected in their communities. We share common approaches across the Trust and prioritise great leadership to create positive work environments with strong levels of experienced professional support. That means that, when you work at a Lime Trust academy, you will be part of a confident team that works collaboratively to build a capacity-rich school. We believe in nurturing talent and developing leaders, so opportunities to progress are very good.

“At Lime Trust, we believe that the key to any school’s success is to be outward facing and continuously looking for ways to become brilliant.”

We are an expanding, pioneering and values-driven trust, that believes in building capacity and expertise from within to make sure that we provide an outstanding service and excellent value to schools within our Trust and as part of our school-to-school support programme.
