

LIME TRUST

SCHEME OF DELEGATION

EFFECTIVE DATE: 1st September 2022

PART 1: INTRODUCTION AND EXECUTIVE SUMMARY: PURPOSE OF SCHEME OF DELEGATION

1. Lime Trust (referred to herein as “**Lime**” or the “**Trust**”) is a multi-academy trust. It is responsible for the running of a number of schools/academies (referred to as the “**Academies**”).
2. The Trust is a company limited by guarantee (Company Number 09297519) and a charity. The Trust is not a registered charity but an “exempt” charity, regulated by the Secretary of State for Education, who acts as the principal regulator.
3. The Trust’s constitution is set out in its **Articles of Association**, which delegate responsibility for the governance and management of the Trust to the **Trustees**.
4. The Trustees have put in place this **Scheme of Delegation** to provide clarity as to the roles and responsibilities of those involved in the governance of the Academies and how decisions are made.
5. The purpose of good governance is to:
 - 5.1. determine the vision and values of the Trust;
 - 5.2. support leadership in determining and fulfilling the strategic direction of the Trust;
 - 5.3. hold leadership to account and ensure staff well-being; and
 - 5.4. oversee the financial performance of the Trust ensuring there are systems in place to manage risk and ensure money is well spent.
6. An overview of the Lime Trust governance structure is set out in the attached structure chart headed “**Lime Trust Governance**”.
7. The **Members** of the Trust oversee the Board of Trustees (the “**Trust Board**”), holding the Trustees to account and ensuring that the values and ethos of the Trust are upheld and the distinctiveness of the Academies is preserved.
8. The Trust Board is the accountable body within the Trust and is responsible for the good governance of the Trust and its Academies.
9. The Trust Board delegates aspects of governance and the day-to-day oversight of school leadership to **Academy Councils**, organised in regional hubs where appropriate (there is currently one such hub in London for the Trust London special schools and one in Peterborough for its primaries there).
10. To ensure effective collaboration and the dissemination of good practice, strategic leadership is organised as an executive team (the “**Executive Team**”), comprising the CEO, Deputy CEO/Chief Operating Officer and a Director of Education. The Executive Team oversees and is supported by a broader leadership team (referred to as the

“**Strategic Leadership Team**”) comprised of headteachers and other executive officers. The details are set out in the attached Leadership Structure Chart, which also summarises the accountabilities and responsibilities of the various leadership roles.

11. The responsibility for putting in place this Scheme of Delegation rests with the Trust Board. Its effective date is noted on the first page and it will be reviewed from time to time by the Trust Board. Whilst the Scheme cannot take the form of a legally binding contract and is subject to the overriding duty on the Trustees to act freely and in the best interest of the Trust, in so far as the Trustees are able, they agree to abide by the provisions of it and will consult the Academy Councils and the Strategic Leadership Team on any significant changes.
12. This Scheme of Delegation is formed of a number of component parts, effectively comprising a Trust governance and leadership handbook. By way of summary, it contains or references the following:
 - 12.1. This Introduction and Executive Summary: Purpose of the Scheme of Delegation;
 - 12.2. The Trust’s Governance Principles: Vision and Values
 - 12.3. Governance and Management Structure: Roles and Responsibilities

PART 2: GOVERNANCE PRINCIPLES: VISION AND VALUES

1. Vision and Values

The Trust is committed to:

- Setting the standard – for all pupils, all staff, all parents and stakeholders
- Putting learners first – a moral purpose to place pupils’ learning and wellbeing at the centre of all that we do
- Capacity-rich schools

The Trust is ambitious, optimistic and forward-looking. It builds capacity in its academies. It celebrates diversity and wellbeing.

- It delivers outstanding special schools which prepare our learners for the next steps in their life.
- It delivers rapid and sustained improvement in mainly large primary schools.
- It identifies, nurtures and supports leaders to headship in challenging schools.
- It recruits and retains the very best teachers to deliver Quality First teaching.

Underlying Principles

- Lime Academies work for the “common good” in all that they do, supporting each other at all times
- Lime Trust will preserve and enhance the unique and valuable characteristics of all its schools, including the specialist schools and settings which meet the needs of learners with severe and complex needs

- An unrelenting focus on raising aspirations for all learners and their families
- Prepare learners for life in modern Britain

2. Principles for Effective Partnership

The Academies, and those responsible for the governance and management of the Trust and the Academies, have committed to working in partnership, supporting one another and there are clear underlying principles around how that partnership will work:

2.1 Equal Partners

The Academies are equal partners within the Trust and at all times the partners will strive for consensus in decision making, recognising that each Academy has both strengths and weaknesses. Each Academy will work with the Lime Trust to build a unique character, and to realise the Lime Trust's values in the local context, to increase the pace of the Academy's development and improvement. The Academies will work collaboratively with each other, sharing resources, knowledge and best practice, to fulfil the Trust's mission, vision and values.

2.2 Transparency

All those involved in the running and oversight of the Trust and the Academies will be open and honest in their dealings with each other, at all times acting in good faith and recognising the value of independence and separation in relation to decision making.

2.3 Subsidiarity

Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good, avoiding unnecessary bureaucracy and aiming in so far as possible to make changes to established practices only where it can be demonstrated there is a reasonable need and in order to learn from experience or adapt to changing circumstances. Where governance responsibility is delegated, appropriate decision making authority will be given. The parameters of such authority will be clear and those to whom responsibility is given will be required to report to those who retain overall responsibility.

2.4 Solidarity

All those with responsibility for the Trust and the Academies share a particular commitment to the mutual support of all Academies for whom the Trust is responsible, especially those that are in need of assistance at any particular time.

2.5 The Common Good

All recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible, but of all of the families and communities in the areas served by the Trust. The Trustees will ensure that common action and collaboration is conducted at the correct level and that the balance between subsidiarity and solidarity serves the common good in the most appropriate way.

PART 3: GOVERNANCE & MANAGEMENT STRUCTURE: ROLES AND RESPONSIBILITIES

1. Overall Structure

- 1.1 The nature of the Trust as a company running multiple Academies means there are many governance and management layers.
- 1.2 The “**Members**” of the Trust are equivalent to shareholders of a trading company, but, as the Trust is charitable with no power to distribute profit to shareholders, the Members are best viewed as guardians of the constitution, changing the Articles if necessary and ensuring the charitable object is fulfilled. Whilst liability is limited to the level of the Member’s guarantee (£10), the fiduciary nature of the role requires Members to be more than reactive and to be mindful of their responsibility to the charitable purpose of the Trust. A breach of fiduciary duty may expose a Member to an obligation to make good any loss caused as a consequence of the breach.
- 1.3 Decision making and day to day accountability rests with the “**Trustees**”, who are trustees for charity law purposes and company directors registered with Companies House. The Trustees are personally responsible for the actions of the Trust and the Academies and are accountable to the Members, the Secretary of State for Education and the wider community for the quality of education and the expenditure of public money. The Trustees are required to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Trust. The Trustees meet as a board of Trustees (the “**Trust Board**”).
- 1.4 The Trust Board delegates aspects of governance and the day-to-day oversight of school leadership to its **Academy Councils**, which it organises in regional hubs where appropriate (there is currently one such special school hub in London and one primary hub in Peterborough).
- 1.5 Other committees established by the Trust Board may be tasked with fulfilling particular functions or advising the Trustees on strategic matters.
- 1.6 To ensure effective collaboration and the dissemination of good practice, strategic leadership is organised as an executive team (the “**Executive Team**”), comprising the CEO, Deputy CEO/Chief Operating Officer and a Director of

Education. The Executive Team oversees and is supported by a broader leadership team (referred to as the “**Strategic Leadership Team**”) comprised of Headteachers and other executive officers. The details are set out in the attached Leadership Structure Chart, which also summarises the accountabilities and responsibilities of the various leadership roles.

- 1.7 A summary of the key responsibilities of the Members, Trustees and Governors is set out in the attached **Table of Key Delegated Governance Responsibilities**. A more detailed summary of how key decisions are made (the “**Leadership and Governance Decision Planner**”) is also attached.

2. Role of Members

2.1 The Members are the guardians of the constitution, determining the governance structure of the Trust and providing oversight and challenge of the Trustees to ensure the charitable object of the Trust is being fulfilled. Whilst the Members have limited legal and financial responsibility for the affairs of the Trust, the Department for Education recommends that there is some distinction between the Members and the Trustees as “this enables members who are independent of the trustees to provide challenge and scrutiny to the board” (Governance Handbook).

2.2 The Members’ key responsibilities are:

- 2.2.1 to ensure the charitable object (or purpose) of the Trust is met;
- 2.2.2 to determine the Trust’s constitution i.e. the Articles;
- 2.2.3 to appoint the Trust Board and oversee its effectiveness; and
- 2.2.4 to receive the Trustees’ reports (in particular the annual report) and to acknowledge the Trust’s audited annual accounts.

2.3 The Members have responsibility for appointing and removing Trustees. This will be undertaken in accordance with any policy or practice adopted by the Trust Board from time to time.

2.4 In light of the Members’ fiduciary duty, Members are required to act in good faith, in the best interest of the Trust and must comply with the Members’ and **Trustees’ Code of Conduct** adopted by the Trust, which, for ease of reference, is appended to this Scheme of Delegation.

3. Role of Trustees

3.1 The Trustees have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and maintaining of the Academies (which includes taking existing schools into the Trust and opening new schools). The Trustees have the power to direct change where required.

- 3.2 Whilst a significant amount of authority is delegated to others, the Trustees and the Trust Board collectively will continue to have the necessary strategic and legal oversight of the Trust and will monitor all activities; determining the strategic direction of the Trust, assessing the performance of the Academies and establishing and reviewing the policies and practices governing the life of the Academies.
- 3.3 There are no “terms of reference” for the Trust Board, as the detail for the organisation of meetings of the Trustees is set out in the Articles of Association. These determine meeting frequency, quorum and the appointment of a chair and vice chair. For ease of reference, the Trust Board is required to meet at least 3 times a year and quorum for any meeting is the greater of 3 and a third of the Trustees appointed at any one time.
- 3.4 All Trustees must comply with the **Trustee Code of Conduct** adopted by the Trust which, for ease of reference, is appended to this Scheme of Delegation.

4. Role of Governors

- 4.1 The role of a Governor within the Trust is an important one. In developing a governance structure, the Trust has sought to ensure that, as much as possible, the responsibility to govern is vested in those closest to the impact of decision making and that such responsibility matches the capacity of those assuming responsibility. This recognises that accountability remains with the Trustees. The Trust Board has established regional Academy Councils where appropriate for both London and Peterborough, in each case focussed on either mainstream education or specialist provision.
- 4.2 The benefit of this arrangement is that it:
- 4.2.1 encourages efficient and effective use of Governor time and skills, leading to more strategic and robust local governance;
 - 4.2.2 encourages sharing of expertise, knowledge and good practice within and across the regional hubs for the benefit of a wider group of learners; and
 - 4.2.3 reduces the number of Governors needed, which alleviates pressure and the usual struggle to recruit additional Governors to populate individual Academy Councils whilst at the same time allowing Governor Panels to be drawn from a broader contingent.
- 4.3 Individual Governors will be identified to lead on the key areas of responsibility for the Academy Councils:
- 4.3.1 Pupil outcomes;
 - 4.3.2 Safeguarding;
 - 4.3.3 Health & Safety (including the well-being of pupils and staff);

4.3.4 Financial Probity.

4.4 Each Academy Council will also elect its equality and diversity champion.

4.5 Those serving on an Academy Council (or Governor Panel) are accountable to the Trustees and must ensure that at all times they act in good faith and in the best interests of the Academies and the Trust, exercising reasonable care and skill having particular regard to personal knowledge and experience.

4.6 As a matter of general principle, the Academy Councils will adopt and will comply with all policies adopted by the Trust Board and will comply with any direction issued by the Trust Board and have regard to any advice given.

4.7 For the purposes of contracting with third parties, the Headteacher of each Academy has authority to act to fulfil their responsibilities and make the decisions they are authorised to make as set out in the Leadership and Governance Decision Planner and the Trust's Financial Regulations Manual (which will be compliant with the Education & Skills Funding Agency's **Academy Trust Handbook**). Decisions of the Academy Council will be implemented by the Academy Headteacher and the senior leadership teams in the Academies.

4.8 All Governors must comply with the **Governor Code of Conduct** adopted by the Trust, which, for ease of reference, is appended to this Scheme of Delegation.

4.9 Terms of Reference regulating the composition of an Academy Council and how it conducts business are also appended to this Scheme.

5. Committees and Further Delegation

5.1 Terms of Reference for the other committees established by the Trustees, i.e. the Finance, Risk and Audit Committee and the Educational & Curriculum Standards Committee are appended to this Scheme of Delegation.

5.2 The Academy Councils are not expected to establish any sub-committees but 'task and finish' groups may be identified as necessary (e.g. short-term working parties for specific projects or issues, such as a staff reorganisation at a particular Academy). One such 'task and finish' group would be a Team Around the School to support the rapid improvement that may be needed in any Academy and to hold the Academy to account in delivering their Rapid Improvement Plan. In this respect, please see the Appendix: Route Map to Standards.

5.3 Those to whom delegated responsibility is given must acknowledge the limitations on their authority and must not act outside of their authority. Any wilful disregard of the matters expressed in this Scheme and in particular the relevant Terms of Reference is likely to lead to a removal of delegated authority. No alteration of the Articles or change to the Scheme or removal of delegated authority shall invalidate any prior act of the Academies' Headteacher and senior leadership team which would have been valid if that alteration or withdrawal had not been made.

5.4 As a matter of general principle, the Academy Councils and the Headteacher and senior leadership teams in the Academies more generally will adopt and will comply with all policies adopted by the Trust Board and will comply with any direction issued by the Trust Board from time to time and have regard to any advice given by or on behalf of the Trust Board.

6. Executive Team

6.1 The “**Executive Team**” is the executive arm of the Trust Board, focusing on operations and resources (including HR, finance and policies) and supporting the educational performance of the Academies. It operates under the leadership and direction of the “**Chief Executive Officer**”. The Deputy CEO/Chief Operating Officer (which role also includes or line manages the “**Chief Financial Officer**” responsibilities) and the Director of Education will be members of the Executive Team. The Executive Team is supported by a larger “**Strategic Leadership Team**”, which includes the Academy Headteachers and other executive officers. The Executive Team reports to the Trust Board and is responsible for implementing Trustee decisions.

6.2 The Chief Executive Officer will be the “**Accounting Officer**” for the Trust, responsible to Parliament and to the Education & Skills Funding Agency’s accounting officer for the financial resources under the Trust’s control and for assuring Parliament of high standards of probity in the management of public funds, particularly regularity, propriety and value for money. The Chief Executive Officer will attend Trust Board meetings and provide a report to the Trustees, but will not serve as a Trustee (or Director) on the Board itself.

6.3 The cost of the functions undertaken by the Executive Team and the broader Strategic Leadership Team (the latter to the extent the cost is not borne from the Academy’s budget) are generally funded on a fair and equal basis by the Academies by the contribution of a percentage of the government funding provided for each Academy (the “**Central Services Charge**”). This contribution will be set each year against a budget for the shared costs approved by the Trust Board. The percentage may vary according to the level of activity carried out by the Executive Team. Additional funding received by the Trust from other sources (such as government grants and income received from other schools and organisations in return for traded services) will contribute directly to the shared costs and will offset the Central Services Charge required from the Academies. An Academy may be asked to reimburse any third party costs payable to consultants where additional support has been agreed or has been necessary.

7. Financial Delegation

7.1 The Trust’s financial procedures and authorisations are set out in the “**Financial Regulations Manual**”, a copy of which is appended to this Scheme of Delegation. Except as provided for in this Scheme of Delegation and subject to the requirements and restrictions set out in the Financial Regulations Manual, budget responsibility is delegated to the respective Academy and expenditure

will be authorised (in so far as necessary) and monitored by the Academy Headteacher.

- 7.2 No Trust or Academy monies (whether or not authority to expend has been devolved to the Academy) shall be paid into any bank account other than a bank account authorised by the Trust's Chief Financial Officer.
- 7.3 The Trust is required to have in place systems to identify and properly manage risk. These systems will be reviewed and monitored by the Finance, Audit and Risk Committee. The Academy is expected to comply with any policy or guidance issued by the Trust (and the Principal Regulator) and to ensure that proper procedures are put in place for the safeguarding of funds, including any voluntary funds or charitable funds obtained through fund-raising activities.
- 7.4 Whilst the Chief Executive Officer remains accountable for the standards in each of the Academies, the Academy's Headteacher will be responsible for standards in their Academy and the proper management of the Academy's budget, reporting to the Executive Team and in turn the Trust Board. Headteachers will ensure compliance with the Trust's Financial Regulations Manual and will notify a relevant member of the Executive Team as soon as reasonably practicable of the occurrence of any event or happening of any circumstance which might expose the Trust or the Academy to any loss or claim, including, but not limited to, any event which might be covered by the ESFA's **Risk Protection Arrangement** scheme.
- 7.5 The Trust Board will have regard to the interests of all the Academies in deciding and implementing any policy (including policies dealing with pooling of GAG, reserves, contingencies and third party income) or exercising any authority in respect of any one or all of the Academies for which it is responsible. Notwithstanding this, the priority for the Trust Board is to put in place measures to ensure that any of the Academies are supported when the need arises and remain financially viable. Where this may have a significant financial impact on the funding of the support provided by or on behalf of the Trust Board, any policy shall first be discussed with the Strategic Leadership Team and the Academy Councils and their views taken into account and considered in relation to the setting and implementation of any such policy.

8. Personnel

- 8.1 All staff employed by the Trust or in connection with any Academy or Academies are employees of the Trust.
- 8.2 The Trust is required to adopt and ensure the consistent implementation of a series of HR policies and practices. The responsibility for the appointment and performance management of staff is set out in the Leadership and Governance Decision Planner.

- 8.3 Any changes proposed to be made by the Academy's leadership team to the staffing structure operated within the Academy must be approved first by the Director of Education, who will consult the Chief Operating Officer.
- 8.4 Whilst the management of any claims and disputes involving staff (other than senior leaders) are expected to be dealt with at the local level in accordance with the Trust's Disciplinary Policy, the Executive Team should be kept informed and any advice or guidance issued by or on behalf of the Trust Board should be followed.

9. Premises

- 9.1 The day to day maintenance and care of the buildings and facilities used in respect of the Academies is the responsibility of the Academy's Headteacher, who shall have regard at all times to the safety of the users of the buildings and the facilities and the legal responsibilities of the Trust (and/or any others) as owner of such buildings and facilities.
- 9.2 The Trust is required to have and to keep under review a long term estate management strategy that will identify the suitability of buildings and facilities in light of anticipated curriculum needs and projected pupil numbers. The Academy Councils will advise on any long term strategic need and will liaise with the Executive Team to manage the availability of any capital investment and the monitoring of the Trust's capital priorities. Any significant capital project will be authorised and managed by the Chief Operating Officer.
- 9.3 No disposal or acquisition of land will be undertaken without the consent of the Trust Board. Temporary use and short term lettings will be managed by the Academy's Headteacher, subject to any lettings/third party income policy issued by the Trust from time to time.

10. Regulatory Matters

- 10.1 The responsibility to ensure that the Academy complies with all legal obligations and operates in accordance with any statutory guidance is a shared responsibility of the Trustees and the Governors, as well as the Executive Team and the Academy's Headteachers.
- 10.2 The Academy Councils have authority to determine any appeals against admission and any decision by a Headteacher to exclude any pupil, as well as appeals relating to complaints regarding individual schools and HR processes, as appropriate.

PART 4: SUPERVISION AND INTERVENTION: ACCOUNTABILITY

1. Notwithstanding the level of delegated responsibility to Academy Councils and Academy Headteachers, the Trustees remain legally responsible and accountable for all matters in connection with the Academies and they are required to have systems in place through which they can assure themselves of quality, safety and good practice in the Academies.
2. Underpinning this accountability is a requirement for transparency and openness, both in terms of the communication of expectations and the reporting of activities and outcomes. It is the responsibility of all to ensure this is achieved, with reporting taking such format as the Trust Board shall require from time to time.
3. As well as the legal or financial implications of any failure or wrongdoing, the reputational damage to the Trust and its Academies is a significant risk and concern.

Safeguarding

4. As the day-to-day responsibility for the running of the Academy is delegated to the Headteacher, the Trustees are removed from the operational risks and thus require the Academy to notify the Executive Team of the following:
 - 4.1 any event leading to loss of life or critical injury on the premises of the Academy or during an event off the premises organised or supervised by Academy staff or which involves a significant number of the Academy's pupils;
 - 4.2 any sexual or violent or illegal act against a child committed by any adult while on the premises of the Academy or by any member of staff under any circumstances;
 - 4.3 any significant safeguarding issue which carries the risk of reputational damage and involves or might reasonably involve the authorities, including the police, the LADO, the Counter Terrorism Unit (or any similar body), the local authority and/or the Secretary of State for Education;
 - 4.4 the suspension or summary dismissal of any member of staff;
 - 4.5 any event that requires a report to the Health and Safety Executive or that results in the service of a legal notice on the Academy alleging a breach of fire or health or safety law or regulations;
 - 4.6 any event that leads or might lead to the imminent closure of the Academy;
 - 4.7 any event that requires a formal hearing by a panel of representatives of the Academy, or that results in the service of a legal notice on the Academy alleging a breach of employment law or regulations;
 - 4.8 notification of any Ofsted inspection and circulation of any draft Ofsted report.

Standards

5. Whilst the responsibility for the educational performance of the Academies rests with the Chief Executive Officer, the day-to-day oversight of standards is the responsibility of the Director of Education, overseen by the Academy Councils.
6. Where weaknesses are identified, either as a consequence of a fall in standards, a failure of governance and/or leadership, or where there is any financial wrongdoing, the Trust Board expressly reserves the unfettered right to intervene and to review or remove any (or indeed all) power or responsibility conferred on the Academy Council under this Scheme of Delegation. Alternatively, the Executive Team may form a short term working party called a 'Team around the School' to support the rapid improvement that may be needed in any Academy and to hold the Academy to account in delivering their Rapid Improvement Plan. In this respect, please see the Appendix: Route Map to Standards.
7. If, however, the Trustees resolve to suspend all delegated authority to an Academy Council in respect of a particular Academy, an executive or management board (a "Transition Board") will be established to fulfil the responsibilities of the Academy Council and to oversee the Academy's Headteacher and school leadership team (until such time as normal delegated authority can be restored). Any decision to do so and any appointments to the executive or management board will be that of the Trust Board, on the advice of the Chief Executive Officer. The terms of reference for any management arrangement (or Transition Board) are set out below.
8. The terms of reference for any Transition Board are as follows:
 - 8.1 The purpose of the Transition Board is to support the integration of the Academy into the Trust where the need for support has been acknowledged and to support the rapid turnaround of the Academy where significant weaknesses have been identified.
 - 8.2 The Transition Board will perform the functions of the Academy Council and will have authority to act in supporting the Academy's leadership, having regard to any advice of the Director of Education or the Chief Executive Officer.
 - 8.3 The Transition Board shall meet at least twice a term, more if necessary, and shall report to the Chief Executive Officer if they are not part of the Transition Board.
 - 8.4 The Director of Education and the Chief Executive Officer may be appointed to the Transition Board, but if not, they shall attend all meetings.
 - 8.5 The Transition Board will ensure that the Academy improvement or action plan is being implemented and will advise on any issues arising focussing on 5 key areas of action: leadership, pupil outcomes, budgets, staffing structures and systems and processes.
 - 8.6 Those appointed to the Transition Board must have capacity to be able to engage proactively with the Academy's senior leadership team and have the relevant skills and experience to secure change. Appointments are not expected to be for a term

exceeding 12 months. The Trust shall consider whether any of the roles on the Transition Board should be remunerated.

- 8.7 Those appointed to the Transition Board are required to adhere to the Trustees Code of Conduct.
- 8.8 A Transition Board is not intended to be a long-term arrangement and the objectives and effectiveness of the Transition Board will be reviewed after 12 months.
- 8.9 The Transition Board will assist with the communication of the Trust's vision for the Academy and will engage with parents and stakeholders to restore confidence in the Academy.
9. In concluding its work, the Transition Board will make whatever recommendations it feels would be helpful to secure the Academy's long-term improvement and will assist with the transition of the Academy coming under the governorship of the relevant Academy Council.
10. Appropriate steps will then be taken to manage any situation, communicating as appropriate in the circumstances (having regard to the fundamental principle of transparency and openness). This may involve a visit to the Academy.

Building Effective Relationships

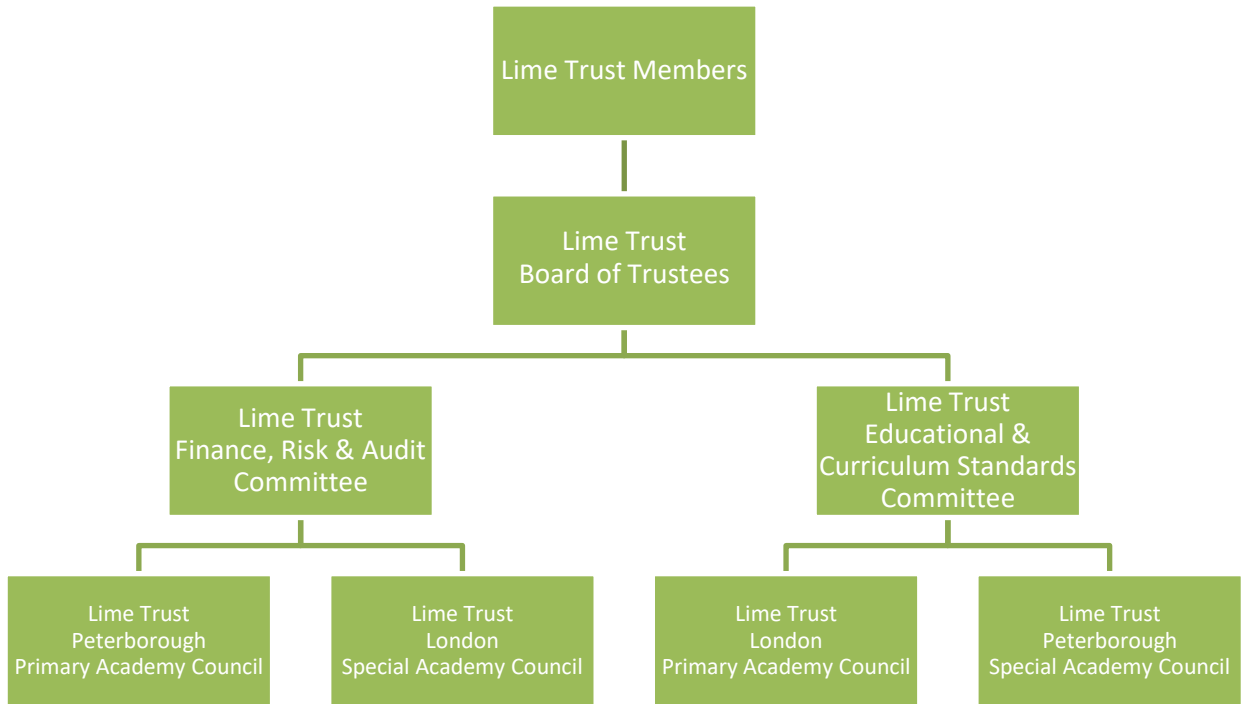

11. Notwithstanding the above, the Trust Board and the Academy Councils acknowledge the value of maintaining a good working relationship, particularly in light of the levels of delegated responsibility within the Trust and the impact this may have on the ability of the Executive Team to react when standards are falling and/or there is evidence of financial imprudence exposing the Academy or the Trust to a threat of external intervention. The Trust Board and the Academy Councils in such circumstances make the following commitments to each other:
 - 11.1 to discuss openly any weaknesses or any situation which may in the opinion of either potentially lead to a threat of intervention by Ofsted, the Regional Schools Commissioner or the Secretary of State for Education as the Principal Regulator;
 - 11.2 to use all reasonable endeavours to agree the measures to be taken to improve standards and the performance of the Academy and to support each other in the implementation of those measures;
 - 11.3 to allow each other the opportunity to effect improvements at the Academy, provided such steps do not seek to undermine the collaborative and respectful approach being adopted by each;
 - 11.4 the Trust Board shall not exercise any power to suspend or remove an Academy Headteacher without first discussing with the Chair of the Academy Council, the Chief Executive Officer and the Director of Education the need to ensure that such power is being exercised appropriately and proportionately.

12. To ensure two-way communication and encourage the sharing of best practice, the Executive Team will also support and facilitate the following:

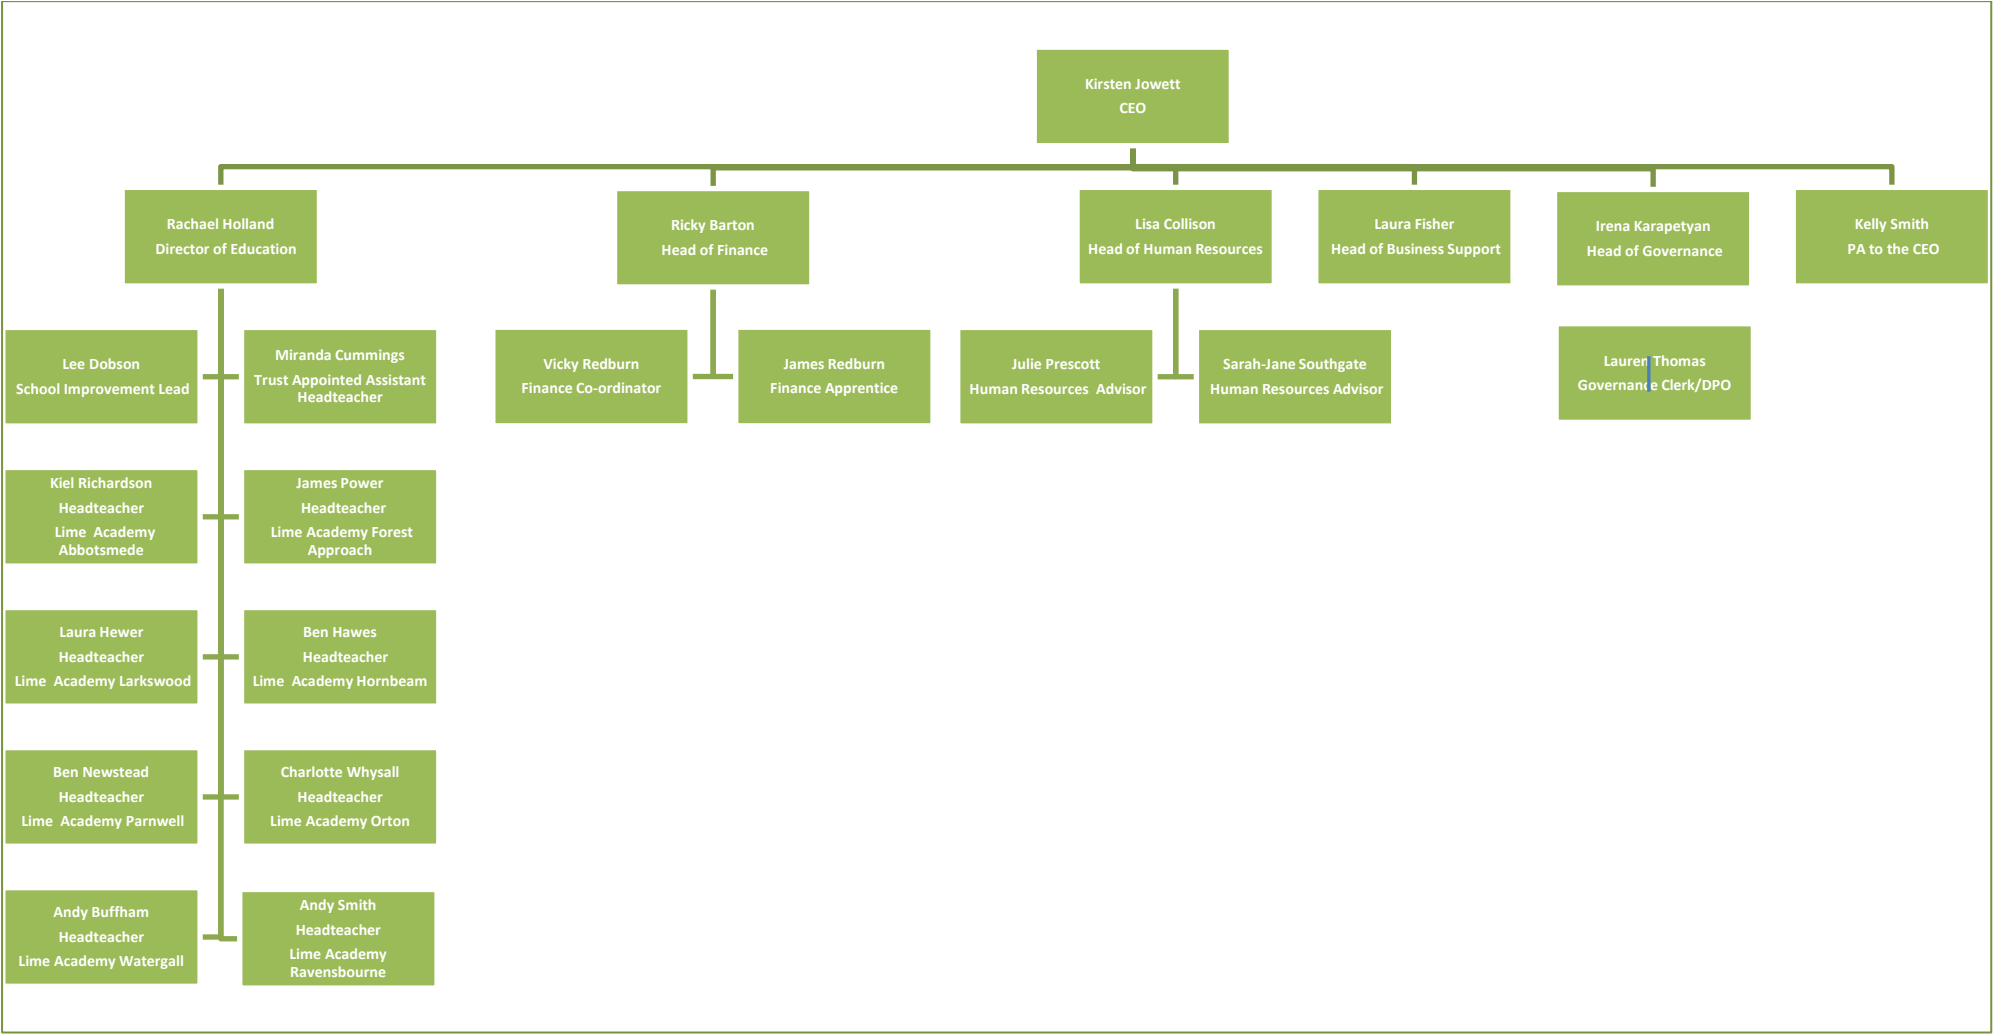

- 12.1 Weekly meetings between Director of Education and Headteachers;
- 12.2 Weekly meetings of the Executive Team;
- 12.3 Half termly meetings between the CEO, Headteachers and the Executive Team;
- 12.4 At least an annual meeting between the Executive Team, the Chairs of the Academy Councils together with the Chair of the Trust and the Chairs of the Board Committees;
- 12.5 At least an annual meeting of the Safeguarding Lead Governors and Trustee and the senior Designated Safeguarding Lead from each Academy

LIME TRUST LEADERSHIP AND GOVERNANCE DECISION PLANNER

This decision planner is designed to work in conjunction with the formal Scheme of Delegation adopted by the Trust. It provides a quick reference guide to how some of the important decisions within the Trust are to be made. Any discrepancies between this document and the Scheme of Delegation shall be construed in favour of the Scheme of Delegation, which will take precedence. The different levels of delegated power are listed below but it should be noted that not every task requires all levels of delegated power to be defined:

- Approve (App)
- Propose (Pro)
- Develop (Dev)
- Monitor (Mon)
- Consulted (Con)
- Implement (Imp)

The governance and management layers within the Trust are identified as follows:

1. Trust Members (the “**Members**”)
2. Trust Board of Trustees (the “**Board**”)

COMMITTEE TERMS OF REFERENCE: ACADEMY COUNCIL

1. Purpose

1.1 The Trust Board organises its academies in regional hubs (currently London and Peterborough) and delegates aspects of governance and the day to day oversight of school leadership to regional councils (referred to as the “**Academy Councils**”). A separate regional Academy Council has been set up for the mainstream and special schools in each regional hub as appropriate.

1.2 The purpose of the Academy Council is to provide local accountability and, in partnership with the Executive Team, day to day support and oversight of the relevant academies’ leadership teams.

1.3 The roles and responsibilities of the Academy Council are set out in the Table of Key Delegated Governance Responsibilities.

1.4 Governors will be expected to lead on the following four key areas of responsibility:

1.4.1 Pupil outcomes;

1.4.2 Safeguarding and (for mainstream schools only) SEND – the Safeguarding and SEND Lead for the Academy Council shall be Trust-appointed and not a Parent or Staff Governor to avoid any potential conflicts of interest. The Safeguarding Lead for the Academy Council will join the meeting of Safeguarding Leads as noted in Part 4 of the Scheme of Delegation;

1.4.3 Health and safety;

1.4.4 Financial probity;

1.5 Each Academy Council will also have an Equality and Diversity Champion who will ensure that all decision making of the Academy Council considers and takes account of the interests of the whole community.

1.6 The above Lead Governors will participate in a monitoring cycle involving meetings with relevant leaders and staff for their area of focus. The frequency of meetings will depend on the area of focus, but will not exceed one per school term.

1.7 In addition to the above areas of focus, Academy Council Governors also have the important role of participating in Headteacher Performance Management Review panels, panels for disciplinary and grievance hearings and appeals, exclusion and admission appeals, and complaint hearings.

2. Constitution

2.1 An Academy Council shall comprise of the following:

2.1.1 Director of Education to serve on each of the Academy Councils;

- 2.1.2 One Staff Governor from each of the relevant Academies in the regional hub (it is not expected that this post will be filled by the Academy Headteachers), appointed following a skills-based appointment process led by the Trust Head of Governance, relevant Headteacher and Chair of the Academy Council;
 - 2.1.3 One Parent Governor from each Academy up to a maximum of three, appointed following a local appointment/election process incorporating a skills-based exercise led by the Trust Head of Governance, relevant Headteacher and Chair of the Academy Council; and
 - 2.1.4 A number of Trust-appointed Governors, the number being determined from time to time by the Trust Board and appointed following a skills-based appointment process led by the Trust Head of Governance, Director of Education and the Chair of the Academy Council.
- 2.2 Each of the Academy Headteachers in the regional hub will attend all Academy Council meetings and be involved in agenda setting, reporting and advising the Academy Council, but, as with the Executive Team at Trust Board level, will not be a formal member of the Academy Council and will not vote on any resolutions (nor will they need to declare any interest given their non-voting role). Deputy Headteachers may be asked to attend certain meetings to provide a report or support the Headteacher, but are not expected to attend as a matter of course.
- 2.3 There is no power to co-opt Governors to the Academy Council, but advisers (including other members of staff in the relevant academies) may attend meetings provided they do not take part in any decision making.
- 2.4 All Governors must undertake to uphold the object and mission of the Trust and must comply with the Governor Code of Conduct appended to the Scheme of Delegation.

3. Term of Office

- 3.1 The term of office for any Governor shall be 4 years, with a review after 2 years (save that this time limit shall not apply to the Director of Education as an ex-officio appointment, who will serve for as long as they remain in office).
- 3.2 At the 2-year review point, the Head of Governance and Chair may arrange a meeting with the Governor to review their progress to date and agree on whether the appointment shall continue for the remainder of the 4-year term.
- 3.3 Subject to remaining eligible to be a particular type of Governor, any person may be re-appointed or re-elected to the Academy Council.

4. Resignation and Removal of members of the Academy Council

- 4.1 Governors shall cease to hold office if they resign their office, or are removed by the Trust Board (which the Trustees reserve the power to do without the need

to provide any reasons for removal). Any vacancy on an Academy Council will trigger an appropriate appointment or election.

- 4.2 Any person who would not be eligible to be a Trustee in accordance with the Trust's Articles of Association and Trustee Code of Conduct will not be eligible for appointment or election to the Academy Council and must resign from the Academy Council if they become ineligible. Details of eligibility to serve as a Governor are also set out in the Governor Code of Conduct.
- 4.3 If any Governor is also an employee of the Trust and ceases to be employed to work at the Academy or within the Trust, then they shall be deemed to have resigned from the Academy Council and shall cease to serve on the Academy Council automatically on termination of their employment.
- 4.4 Where a person who serves on the Academy Council resigns their office or is removed from office, that person or, where they are removed from office, those removing them, shall give written notice thereof to the Chair of the Academy Council, copied to the Clerk to the Academy Council.

5. Appointment of the Chair and Vice-Chair

- 5.1 Subject to approval by the Trust Board, Governors shall each school year (typically at the first meeting of the year) elect a Chair and Vice-Chair from among their number (excluding anyone who is an employee of the Trust).
- 5.2 The Chair and Vice Chair will cease to hold office if they no longer serve as a Governor. The same person cannot hold more than one office.
- 5.3 The Clerk to the Academy Council shall act as chair during that part of any meeting at which the Chair and Vice Chair are elected.
- 5.4 Any election of the Chair and Vice Chair which is contested shall be held by secret ballot.
- 5.5 More details as to the role and responsibilities of Chairs are set out in the Governor Code of Conduct.

6. Meetings

- 6.1 The minutes of the proceedings of a meeting of the Academy Council shall be drawn up and entered into a book (electronic or otherwise) kept for the purpose by the person authorised to keep the minutes of the Academy Council and shall be signed (subject to the approval of the members of the Academy Council) at the same or next subsequent meeting by the person acting as Chair thereof. The minutes shall include a record of:
 - 6.1.1 all appointments of Governors; and

- 6.1.2 all proceedings at meetings of the Academy Council, including the names of all persons present at each meeting.
- 6.2 The Chair shall ensure that copies of minutes of all meetings of the Academy Council shall be provided to the Chief Executive Officer as soon as reasonably practicable after those minutes are approved.
- 6.3 Subject to this Scheme of Delegation, the Academy Council may regulate its proceedings as Governors think fit, provided at all times that there is openness and transparency in matters relating to the Academy Council. The Academy Council is expected to meet four times in the academic year, but may meet more often if felt appropriate or if requested to meet by the Trust Board.
- 6.4 The Trust Board may direct the Academy Council to allow either Trustees or any member of the Trust's Executive Team to attend meetings of the Academy Council. Such persons may engage in discussion but will not be permitted to vote on any resolution of the Academy Council.
- 6.5 Meetings of the Academy Council shall be convened by the Clerk to the Academy Council. In exercising their functions under this Scheme of Delegation, the Clerk shall comply with any direction:
- 6.5.1 given by the Academy Council; or
- 6.5.2 given by the Chair or, in their absence or where there is a vacancy in the office of Chair, the Vice-Chair.
- 6.6 Any three Governors may, by notice in writing given to the Clerk, requisition a meeting of the Academy Council; and it shall be the duty of the Clerk to convene such a meeting as soon as is reasonably practicable.
- 6.7 Each Governor shall be given at least seven clear days before the date of a meeting:
- 6.7.1 notice thereof and sent to each Governor at the email address provided by each Governor from time to time; and
- 6.7.2 a copy of the agenda for the meeting;
- provided that where the Chair or, in their absence or where there is a vacancy in the office of Chair, the Vice-Chair, so determines on the ground that there are matters demanding urgent consideration, it shall be sufficient if the notice of a meeting, and the copy of the agenda thereof are given within such shorter period as they direct.
- 6.8 The convening of a meeting and the proceedings conducted thereat shall not be invalidated by reason of any individual not having received notice of the meeting or a copy of the agenda thereof.

6.9 A resolution to rescind or vary a resolution carried at a previous meeting of the Academy Council shall not be proposed at a meeting of the Academy Council unless the consideration of the rescission or variation of the previous resolution is a specific item of business on the agenda for that meeting.

6.10A meeting of the Academy Council shall be terminated forthwith if:

6.10.1 the Governors so resolve; or

6.10.2 the number of Governors present ceases to constitute a quorum for a meeting of the Academy Council in accordance with paragraph 7.

6.11 Where in accordance with paragraph 6.10.2 a meeting is not held or is terminated before all the matters specified as items of business on the agenda for the meeting have been disposed of, a further meeting shall be convened by the Clerk as soon as is reasonably practicable, but in any event within seven days of the date on which the meeting was originally to be held or was so terminated.

6.12 Where the Academy Council resolves in accordance with paragraph 6.10.1 to adjourn a meeting before all the items of business on the agenda have been disposed of, the Academy Council shall before doing so determine the time and date at which a further meeting is to be held for the purposes of completing the consideration of those items, and it shall direct the Clerk to convene a meeting accordingly.

7. Quorum

7.1 The quorum for a meeting of the Academy Council, and any vote on any matter thereat, shall be three. The proceedings of the Academy Council shall not be invalidated by any vacancy or any defect in the election, appointment or nomination of any Governor, providing the defect was not dishonestly made.

7.2 The Academy Council may act notwithstanding any vacancies, but, if the numbers of persons serving is less than the number fixed as the quorum, the continuing persons may act only for the purpose of filling vacancies or reporting to the Trust Board as to any vacancies.

7.3 Subject to this Scheme of Delegation, every question to be decided at a meeting of the Academy Council shall be determined by a majority of the votes of the persons present and entitled to vote on the question. Every Governor shall have one vote.

7.4 Where there is an equal division of votes, the Chair shall have a casting vote in addition to any other vote they may have.

7.5 A resolution in writing, signed by all the persons entitled to receive notice of a meeting of the Academy Council, shall be valid and effective as if it had been passed at a meeting of the Academy Council duly convened and held. Such a resolution may consist of several documents in the same form, each signed by

one or more of the members of the Academy Council and may include an electronic communication by or on behalf of the member indicating his or her agreement to the form of resolution providing that the member has previously notified the Academy Council in writing of the email address or addresses which the Governor will use.

- 7.6 Minutes of meetings of the Academy Council shall be published redacting any aspect which is confidential or it would not be appropriate to disclose in light of the Data Protection Act 2018.
- 7.7 Any Governor shall be able to participate in meetings of the Academy Council by telephone or video conference provided that the Governor has indicated prior to the meeting a wish to do so and has provided appropriate details to enable this and the meeting has access to suitable equipment. A meeting at which all participants are participating by video conference organised by an officer of the Trust (including the Clerk to the Academy Council) shall be deemed to take place at the Trust's registered office for the purposes of the minutes.

8. Notices

- 8.1 Any notice to be given to or by any person pursuant to these Terms of Reference and more generally the Scheme of Delegation (including a notice calling a meeting of the Academy Council) shall be in writing or shall be given using electronic communications to an address for the time being notified for that purpose to the person giving the notice. In this Scheme of Delegation, "address" in relation to electronic communications, includes a number or address used for the purposes of such communications.
- 8.2 A notice may be given by the Academy Council to its members either personally or by sending it by post in a prepaid envelope addressed to the member at his or her registered address or by leaving it at that address or by giving it using electronic communications to an address for the time being notified to the Academy Council by the Governor. A member whose registered address is not within the United Kingdom and who gives to the Academy Council an address within the United Kingdom at which notices may be given to him, or an address to which notices may be sent using electronic communications, shall be entitled to have notices given to him or her at that address, but otherwise no such member shall be entitled to receive any notice from the Academy Council.
- 8.3 A Governor present, either in person or by proxy, at any meeting of the Academy Council shall be deemed to have received notice of the meeting and, where necessary, of the purposes for which it was called.
- 8.4 Proof that an envelope containing a notice was properly addressed, prepaid and posted shall be conclusive evidence that the notice was given. Proof that a notice contained in an electronic communication was sent in accordance with guidance issued by the Institute of Chartered Secretaries and Administrators shall be conclusive evidence that the notice was given. A notice shall be deemed to be

LIME TRUST ACADEMY COUNCIL GOVERNORS' CODE OF CONDUCT

Introduction and context

As a charity and company limited by guarantee, Lime Trust is governed by a Board of Trustees. The Trustees have overall responsibility and accountability for the Trust and its academies. The Board is the ultimate decision-making authority for the Trust, but has delegated the day-to-day running of its academies to those officers of the Trust with executive and leadership responsibilities. The Board has also established committees, including Academy Councils, which assist the Trustees in fulfilling their governance responsibilities and provide additional support and challenge to leadership at local level.

Although not in any way legally responsible and not itself accountable for any statutory functions (which always remain with the Board of Trustees), each Academy Council has an important role to play in providing this local challenge and support in respect of four specific areas:

- Pupil outcomes
- Pupil safeguarding
- Health & safety at our academies
- The financial probity of our academies

Based on their expertise and experience, individual Academy Council Governors may be given a lead role in one of the above areas and/or appointed as an Equality and Diversity Champion. This will not affect collective responsibility and accountability.

The range and extent of the responsibilities delegated to an Academy Council can be adjusted by the Trust Board. The Academy Councils of academies that still need support may be required to operate with reduced delegated responsibilities. In some circumstances, e.g. if an academy fails an inspection, the Lime Trust Board may suspend the delegated powers of that Academy Council completely until the Trust can see that there is the capacity to function as an Academy Council. Stronger Academy Councils, on the other hand, will have more autonomy and may be responsible for more than one academy.

The Academy Council has a distinctive role with overarching responsibilities, which is separate from that of the executive. The Headteacher is the leader of each academy and is held directly accountable by the Trust CEO and Board for the management and performance of their academy. The Academy Council, on the other hand, provides support and challenge, guidance and advice. There are some specific matters e.g. child protection and safeguarding, where the Academy Council will pay particular attention to ensuring the implementation of Lime Trust policies.

Each Academy Council meets four times per academic year, as set out in the Lime Trust Annual Governance Planner. Academy Council Governors are expected to join every meeting. As far as possible, papers will be provided at least five working days before each meeting, to make sure Governors have time to read them all.

Academy Councils do not have subcommittees, though they may establish short-life working parties for specific purposes.

At each Academy Council meeting, there will be a Clerk who will take minutes and give advice. The Clerk is a useful point of contact if you need any further information.

When an Academy Council is performing at its best, it is fully and proactively engaged with the academies it serves in the following ways:

- Working with the academies to evaluate and challenge under-performance, support and understand progress, and be consistent in the drive for educational excellence at all levels of academy life
- Working with the academies to build a unique character and to realise Lime Trust's vision and values in the local context
- Working with the academies to increase the pace of their development and improvement
- Fulfilling an outward facing role by using the collective knowledge and skills of its Governors to promote the Trust and its academies, and to enhance relationships with all key stakeholders, the local community and local business
- It is an essential role of the Academy Council to provide local knowledge and perspective

Academies have outstanding governance when Academy Council Governors:

- Talk about teaching and learning, safeguarding, health and safety and financial probity at the academies that they serve
- Know a great deal about their academies and communities
- Are ambitious for their academies and communities
- Ask questions which make colleagues reflect, and these discussions lead to delivering the very best outcomes for every child and adult within our academies and communities
- Maintain strong and effective relationships within Lime Trust

External accountability: the Academy Council and Ofsted

The quality of governance is inspected as part of an Ofsted inspection, when the inspectors consider the quality of leadership and management within an academy. Lime Trust will ensure Ofsted understand the structure of governance across the Trust. The inspection team will not comment on the structure, but rather the effectiveness of the leadership and management at all levels.

The Ofsted Inspection Framework says that inspectors should make sure that meetings are held with those who are directly responsible for the governance of an academy and for overseeing its performance. During the inspection itself, which is usually scheduled with one half-day's notice, the inspection team would expect to meet with the Chair of the Academy Council and the CEO, but all Academy Council Governors should hold themselves in readiness to meet either individually, or as a group, with members from the inspection team.

Code of Conduct for individual Academy Council Governors

The role of a Governor is challenging, but also rewarding. Governors are expected to be held in high regard and to provide an example to others. The Trust and external organisations such as the National Governance Association (NGA) therefore expect Governors to sign up and adhere to a Code of Conduct. The Trust Code of Conduct for Academy Council Governors is set out below and incorporates the NGA's Model Code.

As governors, we will focus on our strategic functions as stated in the DfE Governance and Academies Trust Handbooks:

1. ensuring there is clarity of vision, ethos and strategic direction at academy level
2. holding leaders to account for the educational performance of the academies that we serve and their pupils and the performance management of staff
3. overseeing the financial performance of the academies that we serve and making sure money is well spent

4. ensuring the voices of stakeholders are heard

As individuals on the Academy Council, we agree to:

Fulfil our roles and responsibilities:

- We will adhere to the Nolan Seven Principles of Public Life: Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty and Leadership

- We will show an understanding of the importance of, and a commitment to, keeping children safe at all times
- Where decisions and actions conflict with the Nolan Seven Principles of Public Life, or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities

- We will display an understanding of, and commitment to, the Lime Trust ethos, vision, values and future plans, including the intention to provide high quality education for all pupils
- We will act in the best interests of the Trust and school/s that we serve and not as a representative of any particular group
- We will understand and adhere to the policies and procedures of the Trust and its academies

- We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution to discussions, ask questions and commit to agreed decisions and actions
- We will consider how our decisions as an Academy Council may affect the school/s that we serve and their local communities
- We will bring to the Academy Council our skills, experience and community knowledge, whether professional or personal. (Specific skills may be needed if a Governor is to take responsibility for, and lead on, a specific area, or to meet a skills

shortage that has been identified. For the roles of Chair and Vice Chair, please see below.)

- We commit to induction and other training offered by the Trust and school/s, and take responsibility for developing our individual and collective skills and knowledge on an ongoing basis
- We will get to know the school/s that we serve well and, where possible, arrange to visit the school/s at least annually, and respond to opportunities to involve ourselves in school activities e.g. attendance at music and drama performances, seeing lessons in action, involvement in parents' evenings and social events. (Governor visits must always be made via appointment and in agreement with the Headteachers)
- We will stay informed on relevant academy, Trust or wider education issues and updates
- We will work as a team, collectively for the benefit of the school/s we serve, but also take individual responsibility when necessary
- We will be focussed on problem solving and be ready to learn from past experiences

Build and maintain relationships:

- We will develop effective working relationships with school leaders, staff, parents and other relevant stakeholders from our local communities
- We will be open and candid in expressing our views, but also constructive, courteous and respectful of the views of others, and open to new ideas and thoughts in all our communications, both inside and outside of meetings
- We will support our Chair in their role of leading the Academy Council and ensuring appropriate conduct, and we will observe protocol at all times

Respect confidentiality:

- We will observe complete confidentiality, both inside and outside of the Trust and its schools
- We will not reveal the details of any Academy Council vote
- We will ensure all confidential papers are held and disposed of appropriately
- We will maintain confidentiality even after we leave office

Be transparent about, and comply with requirements on, conflicts of interest:

- We will comply with Trust policy on conflicts of interest and related party transactions
- We will declare all relevant business, personal or other interests in connection with the Trust and its schools on an annual basis, to be recorded in the Register of Governor Interests and Other Required Information
- We will also declare any conflicts at the start of any meeting should the need arise based on the agenda
- If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote

Recording and publishing of Governor information

- We accept that, in the interests of open governance, our full names, dates of appointment, terms of office, roles on the Academy Council, category of Governor, attendance records, relevant interests, and the body responsible for appointing us will be

published on the school/s' website

- We accept that some of the above information will also be collected and recorded on the DfE's national database of governors (Get Information About Schools), some of which will be publicly available

Maintain the Trust and its school/s' reputations

- We will only speak or act on behalf of the Academy Council if we have the authority to do so
- We will support and act as ambassadors for the Trust and its academies in public
- We will strive to uphold the Trust's and its academies' reputation in our private communications (including on social media)
- When visiting the school/s that we serve in a personal capacity (i.e. as a parent or carer), we will continue to honour the commitments made in this code

The Role of the Chair of the Academy Council

Academy Council Chairs and Vice Chairs are elected annually at the start of each academic year by, and from within, their Academy Council. The Trust reserves the right to advise on and/or veto these appointments.

The role of Academy Council Chair is a key one, and very much valued by Lime Trust. The Academy Council Chair has a responsibility to act in the interests of Lime Trust and to ensure that the needs of the academies s/he serves are well represented and communicated to the Lime Trust. In particular:

- The Chair takes the lead in ensuring the Academy Council is effective. Good Academy Councils also review their own effectiveness at regular intervals in the form of a skills audit
- The Chair sets a good example to their fellow Governors and ensures that everyone is aware of the expectations upon them
- The Chair of the Academy Council and the Lime Trust Executive Team are the main points of contact for the Headteacher of each academy. They provide the Headteacher with guidance, advice, support and constructive challenge. The Chair's main focus is as critical friend; while the CEO and Directors of Education for the Trust have a main focus as line managers - holding the Headteachers professionally to account. At the heart of all these relationships is trust. It should be possible for each to speak to the other in full confidence no matter how difficult the subject matter
- The Chair, together with the Headteacher, is responsible for the Academy Council being well informed about each academy

This Code of Conduct will be reviewed upon significant changes to law and policy, or as needed.

GOVERNOR DECLARATION

I adopt the above Code of Conduct and understand that potential or perceived breaches of this Code will be taken seriously and that a breach could lead to formal sanctions.

LIME MEMBERS AND TRUSTEES' CODE OF CONDUCT

Introduction and context

As a charity and company limited by guarantee, Lime Trust is governed by a Board of Trustees. The Trustees have overall responsibility and accountability for the Trust and its academies. The Board is the ultimate decision-making authority for the Trust, but has delegated the day-to-day running of its academies to those officers of the Trust with executive and leadership responsibilities. The Board has also established committees, including Academy Councils, which assist the Trustees in fulfilling their governance responsibilities and provide additional support and challenge to leadership at local level.

Whilst authority to govern has been delegated to the Trustees by the Members of Lime Trust, the Members have a fiduciary duty to ensure the Trust's charitable purpose is fulfilled. In doing so, the Members will have oversight of the Trustees and must be ready to act to safeguard the affairs of the Trust.

External accountability: the Trust Board and Ofsted

The quality of governance is inspected as part of an Ofsted inspection, when the inspectors consider the quality of leadership and management within an academy and more broadly with the Trust. Lime Trust will ensure Ofsted understand the structure of governance across the Trust. The inspection team will not comment on the structure, but rather the effectiveness of the leadership and management at all levels.

Code of Conduct for individual Trustees

The role of a Trustee is challenging, but also rewarding. Trustees are expected to be held in high regard and to provide an example to others. The Trust and external organisations such as the National Governance Association (NGA) therefore expect Trustees to sign up and adhere to a Code of Conduct. The Trust Code of Conduct for Trustees is set out below and incorporates the NGA's Model Code.

As Trustees, we will focus on our strategic functions as stated in the DfE Governance and Academies Trust Handbooks:

1. ensuring there is clarity of vision, ethos and strategic direction at Trust and Academy level
2. holding executive officers and leaders to account for the educational performance of the academies that we serve and their pupils and supporting both the performance management of staff and their well-being
3. overseeing the overall financial performance of the Trust, ensuring there are systems in place to manage risk and ensure money is well spent
4. ensuring the Trust complies with its legal responsibilities

Both the Trustees and the Members have a fiduciary duty to act in good faith and in the best interests of the charity. This duty includes a responsibility to do the following:

1. To ensure compliance with any legal obligations
2. To report on the charity's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called Charity SORP)

3. To fulfil the charitable object of the charity as set out in its constitution (the Articles of Association) and to act in a way which is compliant with the rules of the charity contained in the Articles
4. To act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets
5. To act prudently in the financial management of the charity, avoiding putting any assets, funds or reputation of the charity at undue risk
6. To exercise reasonable care and skill, using personal knowledge and experience to ensure the charity is well run and efficient
7. To act responsibly, getting advice from others, including professional advisors, where appropriate

As individuals on the Trust Board, we agree to:

Fulfil our roles and responsibilities:

- We will display an understanding of, and commitment to, the Lime Trust ethos, vision, values and future plans, including the intention to provide high quality education for all pupils

- We will understand and adhere to the policies and procedures of the Trust and its academies
- When making or responding to complaints, we will follow the established Trust policies and procedures
- We accept that our role is strategic and will therefore focus on our core functions above, rather than **involve** ourselves in day to day management
- We understand the distinction between governance and management as set out in this document

Demonstrate commitment to the role:

- We will involve ourselves actively in the work of the Trust Board, accepting our fair share of responsibilities and serving on hearing panels and working groups when required
- We will make every effort to attend all Trust Board meetings, with full and punctual participation, and, where we cannot attend, explain in advance why we are unable to do so

- We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution to discussions, ask questions and commit to agreed decisions and actions
- We will consider how our decisions as Trustees may affect the Trust and its schools that we serve and their local communities

(Like Governor visits, Trustee visits must always be made via appointment and in agreement with the Headteachers)
- We will stay informed on academy, Trust or wider education issues and updates
- We will work as a team, collectively for the benefit of the Trust and the schools we serve, but also take individual responsibility when necessary

Build and maintain relationships:

- We will develop effective working relationships with the Trust's executive team, the Academy Councils, school leaders, staff, parents and other relevant stakeholders from our local communities

- We will support our Chair in their role of leading the Trust Board and ensuring appropriate conduct, and we will observe protocol at all times

Respect confidentiality:

- We will observe complete confidentiality, both inside and outside of the Trust and its schools
- We will not reveal the details of any Trust Board vote
- We will ensure all confidential papers are held and disposed of appropriately
- We will maintain confidentiality even after we leave office

Be transparent about, and comply with requirements on, conflicts of interest:

- We will comply with Trust policy on conflicts of interest and related party transactions
- We will declare all relevant business, personal or other interests in connection with the Trust and its schools on an annual basis, to be recorded in the Register of Trustee Interests and Other Required Information
- We will also declare any conflicts at the start of any meeting should the need arise based on the agenda

- If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote

The Chair and Vice Chair are elected by and from within the Trustee body. Regard may be had to any recommendations from the executive team and from the Members of the Trust.

Elections are expected to take place at the beginning of every year and any interim appointment (for example following the resignation of the current Chair) will be terminated or confirmed at the next appropriate meeting.

Specific Duties

The Chair's specific duties are to:

- Provide a clear lead and direction for the Trust Board in formulating and delivering the vision for the Trust

Legal Requirements of Trustees

Before appointment a DBS check will be made and enquiries made to establish that Trustees satisfy on an ongoing basis the legal requirements for charity trustees. A list of disqualifying reasons is provided by the Charity Commission, click [here](#) for details. Individuals who are disqualified from being a charity trustee are deemed to have resigned with immediate effect.

Removal of a Member or Trustee

Any concerns regarding a Member's or Trustee's behaviour and actions which may impact adversely on the Trust or fellow Members and Trustees will be addressed either by the Chair of the Trust or the other Members of the Trust. Except where changes to the Trust Board are made for operational reasons for example to address skills shortages or to satisfy the broader requirements of the Members, steps to remove a Trustee for personal reasons are expected to be taken only in exceptional circumstances for example involving the following:

- There has been serious misconduct (which will be considered on a case by case basis but as a guide any breach of this Code of Conduct will give rise to a legitimate complaint);
- A Trustee displays repeated and serious incompetence (e.g. consistently fails to attend meetings and/or engage with training or address any skills gaps such that their ability to make a meaningful contribution is compromised);
- In the reasonable opinion of the other Members, an individual Member's actions amount to a breach of fiduciary duty;
- The Member or Trustee has engaged in conduct or behaviour which is aimed at undermining fundamental British values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs;
- The actions of the Member or Trustee are significantly detrimental to the effective operation of the Trust Board or the Trust more widely, distracting the Trust Board from its core strategic functions and/or the actions of the Member or Trustee interfere with the operational efficiency of the Trust or any of its academies thereby wasting a significant amount of executive, headteacher and/or senior leadership time.

Any steps to remove a Member or Trustee for personal reasons will be communicated to the Members and Trust Board and the Member/Trustee concerned will be given an opportunity to make representations (in writing or verbally) at a meeting at which their removal is being considered. The power to remove both individual Members and Trustees is vested in the Trust's Members and it is neither required in law nor expected that the written details of any case against the Member or Trustee will be provided.

Any decision to remove will be made in accordance with the Trust's Articles of Association and applicable law. Any right of appeal will be subject to applicable law.

Review

This Code of Conduct will be reviewed upon significant changes to law and policy, or as needed.

MEMBERS' AND TRUSTEES' DECLARATION
